

ASPEN GROVE QUILTING

READY TO SEND YOUR QUILT TO THE LONG ARM SPA? FOLLOW THESE STEPS FOR THE BEST RESULTS.

Check your quilt edge

If your quilt is pulling apart along the edge, sew a seam 1/8" from the edge around the entire quilt top. This step is not always necessary.

Press quilt top and cut loose threads

Give your quilt top the once over by cutting loose threads, squaring it up & ironing out any wrinkles.

Mark the top of your quilt

Mark the top of your quilt with masking tape, or painters tape. Make sure to mark the top of the backing as well.

Tips for Mailing your Quilt To AGQ

Fold your quilt top on the bias to reduce wrinkles during transport.

Protect your quilt by placing in a plastic bag during shipping.

Get insurance and tracking on your parcel.

Drop off at AGQ or one of these convenient drop locations:

Needle Crafts + Studio - Beausejour
Keystone Modern Creative - Winnipeg
Oma's Quilt Shop - Grunthal

PROVIDING YOUR OWN BACKING OR BATTING?

-Make sure there is minimum of 8" extra in both length and width of batting and backing

-If piecing your backing, run a generous 1/2" seam allowance and run horizontally

-Use only high quality options (no high loft)

-Press backing and fold to prevent wrinkles

Ask about available backing and batting options!
